School of Hospitality &
Tourism Management**

Summer 2022

Dear NEW Hospitality, Recreation & Tourism Management Student,

Welcome to the SDSU Payne School of HTM! We are delighted that you have chosen one of our majors for your college path and want to ensure that your HTM experience is the very best that it can be. This requires you to take ownership of that experience, but also be open to coaching and mentoring as you continue your journey with us.

First and foremost, share your passion for the industry with us. You are joining a wonderful major. Whether you decide you want to work in a restaurant, own a hotel, work in parks or recreation, manage a tribal casino, plan events, or be in a job that allows you to explore hospitality & tourism, you have found the right place at SDSU. I encourage that as you begin your journey with us, you become involved with the numerous student organizations within our major. These organizations cover all of our emphasis areas and are an energetic representation of the industry.

Ask a lot of questions. We will have numerous executives visiting our campus and our school. These executives are choosing to be here because they care greatly about your education and want you to be successful in whatever path you choose.

Work in the industry. While you may love the job that you have now, nothing will truly prepare you for a job in hospitality than an actual position in one. Christina Jeffries, Internship & Placement Director, is here to help you and provide part-time, seasonal, and internship placement opportunities for you. This is one of the best ways to figure out which path is best for you.

Show up.- This is the key to being successful in this school. When you show up, be engaged, be professional, and represent your school well. HTM at SDSU is all about *going above and beyond...*

As you enjoy each of the opportunities that have been provided to you; please note that none of them would be possible without the philanthropic support that we receive from our community partners, our alumni, our parents, our friends and you. We will ask you to give back the same way that students who have walked the halls previously have done.

Again, welcome to a wonderful School! Please know that the faculty, staff, and I are here as resources for you.

My best,

Carl Winston
